

Volunteer with us

We couldn't do the work we do without the support of our volunteers.

Volunteering with Citizens Advice Liverpool is a great way to develop skills, make friends, help others and feel part of an enthusiastic team.

Our volunteers come from a range of backgrounds and help with everything we do: giving information and advice to clients, administration, ICT, campaigning, communication and social media, trusteeship and more!

All volunteers receive comprehensive free training, which is recognised and respected throughout the country.

Find out more about the roles and becoming a volunteer with us on our website.
