

## Employer Information

Woolton High School fully welcome's Employers, HEI, Apprenticeship providers and local colleges to help inform our students of Career routes and opportunities available to them to widen their knowledge of careers. All of our students are encouraged to engage with employers and undertake a form of appropriate work experience.

Woolton High School are able to engage with employers via;

- Talks and presentations in school
- Visits to employers
- Taking part in Career's week
- Career's fair
- Primary Careers day
- Work experience for classes or individuals
- Job shadowing

If you would like to discuss the opportunity of working with our students please email;

[Careers@wooltonhigh.liverpool.sch.uk](mailto:Careers@wooltonhigh.liverpool.sch.uk)

Another way we work with employers is through our supported internship programme which places our older students with an employer for four days per week for the academic year. Information on this very successful programme and the employers we currently work with is below.
